

MANOR GOLF CLUB

Captains' Charity Day

Staffordshire
Wildlife Trust

Charity No 259558

Charity No 1152159

Dear Members and Supporters,

The Lady Captain, Pam Pritchard, and Club Captain, Warren Dix, would like to thank everyone who sponsored, donated, played and contributed to Charity Day on Sunday 1st September.

The day was a huge success, with fine weather, good golf, and a plentiful supply of cakes at the halfway house.

As a result of the generosity of our tee sponsors, competition entrants, the purchase of raffle tickets and other donations, we raised a combined total of £3201 from the day, which will be passed on to the two charities, *The Staffordshire Wildlife Trust*, and *A Child of Mine*.

Each year the Captains undertake a charity fundraising day, and each year the generosity of people is amazing. We are also indebted to the club management for their support on this day which makes it such a special occasion.

Kind regards

Warren Dix
Club Captain

Pam Pritchard
Lady Captain
